## Rev. Howes Starts 3rd Year Pahokee On Fathers' Day

Next Sunday the Pastor, Rev. C. T. Howes, begins his third year as Pastor of the First Methodist Church. Remembering that his Ministry began on Father's Day it is the desire of the church that the day should be properly recognized as Father's Day. Accordingly the following Fathers will be suitably recognized by a presentation in keeping with the day and the Spirit of Father's Day: the oldest father present, the youngest father present, the father of the youngest child present, the father of the largest number of children present, and the father traveling the longest distance to be present, and the couple present married the longest time. The Pastor will use as the sermon subject: "God's Ideal Man", the Senior Choir under the direction of Mrs. Earl Meredith will sing the anthem.

The Evening Service will witness the presentation of the Sound Movie "The Calling of Matthew" based on the story of Matthew as told in the gospels. This is a religious picture, written, produced and presented for the purpose of the gospel message it contains. The public is cordially invited to come. The Youth Choir under the direction of R. O. Lampi will lead the Congregational singing and will present a special number.

Following the presentation of the picture the Woman's Society of Christian Service in cooperation with the church and congregation will tender a reception to the Pastor and Family. This will be informal and will be followed by a period of Fellowship and refreshments.

## Three Pahokee Boys Attend FFA Meeting

James Sims, Charles Humphries and Bernard Justice are representing the Pahokee Chapter, Future Farmers of America, at the annual FFA State Convention in Gainesville this week.

All three of the local FFA boys are applicants for the FFA degree of State Farmer which is awarded by the organization to boys with outstanding records of leadership, productive farming and participation in school, community and FFA activities. As an honor the State Farmer degree is second only to the American Farmer degree awarded by the national organization.

They were accompanied to Gainesville by Richard L. Brooks, local FFA chapter advisor and agriculture instructor at Pahokee High School.

### ATTEND GIRLS STATE

Miss Yvonne Fraser, a member of next year's Senior Class at Pahokee High School, left Saturday for Tallahassee to attend Girls' State which is in session at the state capital this week.

Miss Fraser is representing the community at Girls' State under the sponsorship of Post 90 American Legion Auxiliary. She was accompanied to Tallahassee by her mother, Mrs. L. J. Fraser.

## Livestock Market For Glades Section Under Consideration

At a meeting of the Palm Beach County Cattleman's Association in Belle Glade Tuesday night a move was started to build a livestock market in Belle Glade. A committee was appointed to investigate and make a future report. On the committee are: E. M. VanLandingham, T. W. Knight, Leland Pearce, J. L. Evans, John Tabit and H. L. Speer.

Those in attendance at the meeting evidenced a great deal of interest and it looks and sounds like something will be done pretty soon about a market. Cattlemen from all sections of the Glades were in attendance.

## Ramie Processing In Old Starch Plant

CLEWISTON — The first commercial ramie processing plant in the United States will be set up here in the former starch house building of the U. S. Sugar Corporation. The plant is expected to be ready for operation by December.

Plans for the new plant were announced by James Dempsey, head of the fiber department of Newport Industries and chairman of the ramie committee of the Palm Beach County Resources Development Board. Dempsey is manager of the large ramie plantation and decortication plant operated by Newport Industries at Canal Point.

The new operation will be a degumming plant where gums from the decorticated fiber will be removed by wash processes. It will make possible the spinning of ramie fiber on a commercial scale for the first time in this country.

H. T. Vaughn, Vice President of the Sugar Corporation, said the plant is being installed and operated by Newport Industries with the Corporation joining in the enterprise by furnishing the facilities. Machinery for the plant will cost about \$250,000. It is expected most of the fiber will go for textile use. Sea Island Mills of New York, which has conducted experiments in growth and decortication of ramie, has used a considerable amount of ramie fiber in the manufacture of textiles.

The new plant is designed to meet the European competition by degumming and spinning ramie into textile material.

## New Cattle Market Open In Wauchula

The reception given the opening of the Hardee County Livestock Auction Market far exceeded the expectations of the management. Some cattle to be auctioned began to arrive shortly after daylight; other cattle arrived during the morning and almost up to the time to start the sales. It was one busy morning for everyone connected with the market. The inauguration of the market will be a day long remembered in Wauchula.—Florida Advocate.

Mrs. C. C. Cruthird and son, John Bennett, are guests of Mr. Cruthird's brother-in-law and sister, Mr. and Mrs. Gene Wirwahn, in Hollywood this week.

## Motion Pictures On Bible Subjects

Motion pictures of Bible stories will be shown Monday, Wednesday and Friday nights at 7:45, at the First Baptist Church of Pahokee in connection with the Vacation Bible School beginning today and to continue through next week, each day at 8:30, thru 11:30. This pictures are for everybody. Rev. Durum of West Palm Beach will be in charge Monday night with "The Life of Christ."

It is suggested that all interested read the Book of Esther, the showing of Wednesday night. This explains the reason for the Jewish Feast of Purim. Timely in view of Palestine conditions today. Friday night two will be shown, "Festival of Spring," in color, designed for little children. The other, "The Good Samaritan," as recorded in Luke 10:25-37. Members of the school will be given tickets for distribution. All attending are asked to bring these tickets that the children with the best response might be awarded accordingly.

## Recreation Classes During The Summer

A six-week summer recreation program and music school at Pahokee High School, starting July 5, has been announced by Principal D. O. Caudill.

Robert O. Lampi, bandmaster and music director, will be in charge of the music, school and Clyde Alley, athletic coach and director of physical education, will arrange the recreation program. Activities both in music study and recreation will start at 9 a. m. and end at 4 p. m. Mondays through Fridays while the school is in session.

## Seminole Indians Present Program For Pahokee Baptists

Rev. Stanley Smith and a group of Seminole Indians will present a program Sunday night at the First Baptist Church of Pahokee. Adults and young people will comprise the company. Songs in both languages will be rendered. Rev. Smith just recently attended the Southern Baptist Convention where it was announced through the Home Mission Board a young lady will teach music at the camp in Dania. This young lady whose name we have not learned is a most capable speaker and will be heard Sunday night. Since coming to Florida, Rev. Smith has seen some two hundred of the six hundred Seminoles acknowledge Jesus Christ as their Saviour. Of interest to all Christians, every Christian Seminole tithes his or her income, with the result that the average church program of finance is far in arrears of these whom we go with the gospel. These, mind you we call heathen. Rev. Smith will wear his recently acquired buckskin gown. Refreshments will be served at the close of the service.

Mr. and Mrs. Homer J. Clause, had as guests the past week her uncle, A. C. Lossing, and granddaughter, Miss Lois Lossing, of San Angelo, Texas.

## Echols Grocery And Cars Figure In Canal Point Smash-Up

The front of Echols grocery store in Canal Point was smashed Wednesday afternoon when a car from Fort Lauderdale, driven by Charles Guthridge, sideswiped the Lawrence Connell car and smashed into Echols' car in front of the grocery, forcing the Echols car through the front of the store. Quite a bit of damage was done to all cars and the store front. A satisfactory settlement was reached by all parties concerned. Mr. Guthridge's 82-year-old mother was in the car with him. She received one slight cut on her leg. Mr. Guthridge was not injured.

## Legion Juniors Start Season Play

Pahokee's American Legion junior baseball team will begin championship play on Monday, when they invade Stuart. The first home game will be Wednesday, when Belle Glade comes to Pahokee.

The local aggregation is rounding into shape rapidly, and Coach Ralph Gress and his staff are confident that the boys will make a good showing this year.

The elimination series calls for six teams in the northern part of this American Legion district to battle. Winner of this subdistrict will play the winner of the southern part of the district to determine the district champions. They the winners of the 9th and 10th districts will meet for the right to play in the state tournament.

The Pahokee ball-tossers have complete equipment, including brand new uniforms which were donated by local merchants. The schedule follows:

June 21, at Stuart; June 23, Belle Glade here; June 28, at West Palm Beach; June 30, West Palm Beach here; July 2, Vero Beach here; July 3, at Fort Pierce; July 9, Fort Pierce here; July 18, at Vero Beach; July 21, at Belle Glade; July 24, Stuart here.

## Vacation Bible School Starts Today

The Pahokee Baptist Vacation Bible School began this morning at 8:30 and will continue next week each day 8:30 through 11:30. A Bible story movie will be shown each night at 7:30 to which the entire family is invited.

Mrs. C. R. Wetherington, Jr. is the Beginner Dept. Supt.; Mrs. J. D. Agner, the Primary Dept. Supt.; Mrs. James Batchelor, the Junior Dept. Supt. and Mrs. C. A. Moberg, the Intermediate Dept. Supt. Mrs. Elsworth Keen asked to be relieved as Junior Supt. due to the illness of her daughter, Effie Lou. Thanks to Dr. and Mrs. R. P. Fletcher, the annual treat of ice cream was enthusiastically entered into this morning by the entire school. A picnic will be enjoyed by the school at the close. The school is for all children.

Dr. Wilburn C. Young conducted a preschool clinic at the Canal Point School on Thursday afternoon of this week for the physical examination of children who plan to enroll in the school in the fall.

## Pahokee Hi School Seniors Awarded Their Diplomas

At the commencement exercises for the 45 Pahokee High School graduates held in the high school auditorium on Thursday night of last week special school awards in the form of medals, cups or cash prizes were presented by Principal D. D. Caudill to the following graduates:

Lois Echols (3), valedictorian, general excellence in English and highest scholastic average for the 1947-48 school year; Helen Howes (2), salutatory and best all-around Senior girl; Frank Rozelle, Jr., student activities award for boys; Joan McLarty, student activities award for girls; Dickie Johnson (2), best all-around Senior boy and DAR history award; Bobby Baker, American Legion citizenship award for boys; Lena Goodson, American Legion citizenship award for girls; Sibyl Jensen (2), Business and Professional Woman's Club commercial studies award and Woman's Club home economics award; Frank Glills, Denton athletic trophy; Elwood Dart, Lions Club agriculture award; Margaret Powell, Rotary Club essay contest award.

It was announced that the graduating class is presenting to the school a gift of \$1,100 in cash. Of this sum it was specified that \$700 be used toward the purchase of musical instruments for the high school band and the remainder go toward the purchase of two electric drinking fountains for the school.

## Sheriff John Kirk Heads State Group

With the election and installation of Sheriff John F. Kirk, Palm Beach County, as president and the naming of other officers to serve with him, the 35th annual convention of the Florida Sheriffs' Association came to a close at noon Wednesday at the Hotel George Washington in West Palm Beach.

The convention adjourned to meet Jan. 11-12 in Tampa in semi-annual session and June 14-15 in Pensacola in annual convention. Change in the set-up of officers was necessitated by the fact that several nominated at the January semi-annual meeting for installation at this session were not re-elected to office at the recent primaries.

Sheriff Kirk, official host for the convention, was elected to replace J. T. Shepherd, outgoing sheriff of St. John's County; Sheriff Ralph F. Witt, Columbia County, was moved from second to first vice president.

### AT BOYS' STATE

Leland Shirley, son of Mr. and Mrs. C. L. Shirley, will leave tomorrow to register at Boys' State which will be in session at Tallahassee through next week, June 20-26. A member of next year's Senior Class at Pahokee High School, he is being sent to Boys' State under the sponsorship of Fred and Percy Mansfield Post 90.

## Meow

A gossip was telling Ilka Chase of the knockdown and drag-out affair of a newly arrived couple next door. "Everyone is talking. Some are taking her part and some his," purred the informer.

"And," replied Ilka, acidly, "I suppose a few eccentric individuals are minding their own business.—Readers Digest.

If war should come the United States must be able to carry the battleground of that war to any land whose aggression has produced the conflict.—Secretary of the Army Royall.

If you don't start building this year, you will never have a modern Air Force by the time the Russians get "the bomb."—Secretary of the Air Force Symington.

For my responsibility, I regard every day as critical.—Secretary of Defense Forrestal.

Truth and light are the best weapons of freedom.—John Foster Dulles, adviser to U. S. delegation to UN urging a "truth unit" to fight Reds.

The school can't take the place of the home. The classroom can supply only knowledge; the parents must build the essential character.—Bernard Iddings Bell, former professor, Columbia University.

Under our Constitution, we cannot and should not make it illegal for an American citizen to think communism or express his opinions so long as he does not advocate a violent overthrow of the government.—Sen. Robert A. Taft (R) of Ohio.

European unity under the United Nations zone can assure the survival of civilization.—Bernard M. Baruch.

America's current whirling dervish policy in the Middle East must go. We can no longer take a pro-Zionist line regarding Palestine on Monday, a pro-British line on Tuesday and a pro-Arab line on Wednesday.—Sen. Wayne Morse (R) of Oregon.

We now see in the UN a steady deterioration and a loss of public confidence.—Rep. Walter Judd (R) of Minn.

We are the obstacle in a struggle for world dominion. We are the primary target of attack. Defeat the United States and the world is at the mercy of the conqueror. — Gen. George C. Kenny, commander, Strategic Air Command.

## TOO LATE TO CLASSIFY

(By Russell Kay)

If, during the next few months, you should see a bomber-type airplane flying low and trailing what looks like a sizeable bomb on a cable, don't frantically call the FBI or permit yourself to become otherwise alarmed.

Believe it or not, such a plane is now surveying Florida searching for likely locations to drill for oil. It is operated by the Research and Development Division of the Gulf Refining Corporation and is exploring the unseen that lies below the surface of our state.

For the betterment part of two days I have been in a huddle with scientists, engineers and geologists at a Gulf Research Laboratory recently established at the Bradenton-Sarasota Airport.

These learned gentlemen have patiently and diligently tried to invade my feeble intellect with authentic facts and information concerning the what, where, how and why of their mysterious operations. Unfortunately, we don't speak the same language.

Now, don't get me wrong. I like professors, engineers, scientists, geologists and even lawyers as people, but when they go professional and start spouting in terms of their profession, it just doesn't register with me. It was only when they stopped talking Shorans and magnetometers and said, "Help yourself to a Coca-Cola," that I fully understood what they were talking about.

While I realize what a bitter disappointment this column is going to be to the laboratory staff in

view of the pains they took to explain everything with technical exactness, I still feel that, in my own words, I can tell enough of the story to enable the average layman to grasp what it is all about.

It started when a forward looking young man in the employ of Gulf proposed in 1940 that his superiors give consideration to the possibility of prospecting for oil by air.

After much research and experiment the Gulf people finally developed a gadget which, when flown over the earth, accurately records the intensity of the earth's magnetic field at any given point. It does not actually find oil, but it provides geological information that enables the geo-physicist to determine whether or not the basement structure and the overlying sedimentary rock or other formations are of a type and character that indicate a strong possibility of oil. It is still necessary to drill if you want the answer to the 64 dollar question.

Taking area by area the research plane is flown back and forth trailing the magnetometer which provides the data in the form of charts for the intelligent mapping of structures existing beneath the surface.

I studied a number of these area maps and, while I must admit they didn't tell me very much, I could see that with the proper training they would be perfectly clear to the geologist, for these experts would read them for us much as I might a copy of Guffy's First Reader. To me they looked like a cross between a picture of a fingerprint and a blueprint of a spider-web with more numbers on it than a Cuban lottery ticket.

By the old exploration methods only a very limited area could be

surveyed and mapped in a day and the principal advantage of air-exploration is the speed with which it can be accomplished. Now vast areas, even mountains or impenetrable jungles, can be accurately explored in a matter of days and with comparative ease where it formerly took years.

The amazing device or gadget that records the findings is known as a magnetometer. Although developed several years ago its use in exploration for oil and metals was held back when the war called for the use of such scientific knowledge in the battle of the Atlantic.

The Gulf people turned their knowledge in this field over to the Navy and their magnetometer was used to defeat the submarine and played an important part in the capture or destruction of many undersea boats.

Just as it is now being employed to locate oil structures, it was then used to locate submarines and the Germans never knew how our flyers were able to locate their pig boats when they were submerged and lying on the bottom, but we did and successfully blasted them to the surface.

During the next few months Gulf will map a good portion of this state and when they have finished we will have knowledge of the various formations that exist beneath our soil. Personally, I was amazed to learn that we have a basement structure of granite. I had the crazy idea that Florida was sand clear down to elsewhere.

## WINS IN DOG SHOW

Ed Cushman of Pahokee and his cocker spaniels continue to win honors in dog shows in the state. Last Sunday Mr. Cushman showed at the Daytona Beach dog show and won "best of breed" with his English Springer Spaniel. One of his dogs, shown for the first time, placed fourth in the sporting group. Sunday Mr. Cushman will go to Fort Lauderdale for another show.

Heart disease is still the leading cause of death in the United States, according to statistics recently issued by the Life Insurance Association of America. The death rate in the nation from all causes reached a new low last year, the report shows.

## Anniversary Marked By Capacity Crowd At Baptist Church

From the standpoint of fellowship in the full sense of the word, Sunday at the First Baptist Church of Pahokee was most outstanding. It was the occasion of the seventh anniversary of the ministry of Rev. C. A. Moberg. The Sunday School enjoyed the unusually large attendance for this season of the year of two hundred and forty. Dr. J. Harrison Griffin, State Secretary of Christian Education spoke to the Men's Class. His message will long be remembered. The Philathes Class was honored with the presence of Mrs. Griffin.

A capacity congregation greeted Dr. Griffin and received with much interest the sermon on, "The Happy Church." The program of vocal selections by Miss Ouida Willis of Miami and her accompanist, Mrs. B. Carson was well received. At the close of the services, the Mobergs were called to the front by Chairman of the deacons, H. L. Speer, who after a few words on behalf of the church presented the Mobergs the surprise gift, a

Westinghouse roaster oven.

The ladies of the church served a most bountiful dinner which was attended by one of the largest groups seen in a long time. The afternoon songfest, arranged and directed by Reppart Cowart was entered into with much enthusiasm. The day closed with a well attended Training Union and the third of the series of messages on, "Israel, the New State."

The pastor announced the awarding of a copy of the Mount of Olives Edition of the New Testament to the first person with the correct answer to the question, "How many Jewish temples are mentioned in the Bible and give a verse of Scripture for each?" The answers are to be written with the day and minute the time of the writing. All with correct answers will be awarded Sunday night, June 20, at which time Rev. Moberg will speak on the subject in question. The pastor uses this medium to thank all who made possible the wonderful anniversary Sunday enjoyed by those who were interested and could attend.

E. R. Wagnon has joined his family in Arkansas for the summer.

From where I sit... by Joe Marsh

## How to Live Longer

Someone asked Pappy Miller last week how he stayed so spry at ninety. Pappy told him:

"Well, sir—when I work, I work hard. When I set, I set loose. When I think, I go to sleep."

According to Doc Hollister, that formula isn't far amiss. "Hard work," says Doc, "never wore out anyone before his time, providing he knew how and when to relax."

Doc himself works overtime, with his daytime patients at the office, and his evening calls. And

when he gets home he takes it easy, with a mellow glass of beer and chats with the missus until it's time to go to bed.

From where I sit, relaxing is a fine art—especially in these tense, fast-moving times. And there's nothing like a temperate glass of beer—enjoyed with pleasant company—to restore that easy frame of mind that one needs after a hard day's work.

Joe Marsh

SOUTHERN BELL TELEPHONE AND TELEGRAPH COMPANY  
Incorporated

## LEFT is RIGHT ON THE HIGHWAY

That's right! When you must walk on the highways in rural or suburban areas, always walk on the left side of the road—*facing traffic*.

There is plenty of reason for this. Last year for every person killed facing traffic three were killed walking with traffic. 24 Floridians lost their lives and 33 were injured walking the wrong way instead of facing oncoming cars. For every daytime fatality there were 4 deaths during the dusk and dark hours. Six more people lost their lives merely standing in the road.

Never assume you are safe when walking on the highways—many times you are hard to see. Then, too, the despicable hit and run driver is still at large—his numbers and his victims increasing. In the first six months of 1946, 78 hit-and-run accidents were recorded in Florida and 16 were killed by these car cowards.

So remember for your own sake—on highways, walk to the left facing traffic—be alert to danger—be alive tomorrow.

Mr. Motorist—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

### CHURCH OF CHRIST SCIENTIST

"IS THE UNIVERSE, INCLUDING MAN, ENVELOPED BY ATOMIC FORCE?" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, June 20.

The Golden Text is: "Though there be that are called gods, whether in heaven or in earth, (as there be gods many, and lords many,) but to us there is but one God, the Father, of whom are all things, and he in him" (I Corinthians 8:5, 6).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Thus saith the Lord, thy Redeemer, the Holy One of Israel; I am the Lord thy God which teacheth thee to profit, which leadeth thee by the way that thou shouldest go" (Isaiah 48:17).

The Lesson-Sermon also includes the following passage from

the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The true theory of the universe, including man, is not in material history but in spiritual development. Inspired thought relinquishes a material, sensual, and mortal theory of the universe, and adopts the spiritual and immortal" (547:25).

### Hunting Dates Will Be Set By Commish

TALLAHASSEE — The State Game and Fresh Water Fish Commission will meet here June 21 to set dates and regulations for the 1943-44 hunting season.

Ben C. Morgan, commission director, said to the agency "hopes" to establish more uniform hunting regulations this year. He added, however, that it all depends on "whether or not sportsmen in the various districts can get together on their requests."

"All the sportsmen," he said, "seem to want a statewide season — provided its the season they request for their district."

At the June meeting the commission will fix dates for the shooting of deer, turkey, quail, and squirrel.

Mr. and Mrs. Frank Friend have as guests this week her son, Will A. Nason, and her son-in-law and daughter, Mr. and Mrs. James Porter Hallbrook and children of Belzoni, Miss.

### Cinematic Chatter

By Malcolm Millar

It has been a long time since the lovely voiced Jeanette MacDonald has graced our screen, and we are happy to announce her in a new type picture for her talents, embracing some of the finest acting ability in Hollywood.

The picture is "Three Daring Daughters" and the cast is headed by Miss MacDonald, Jose Turbi, Jane Powell, Ann E. Todd, Mary Eleanor Donahue, Edward Arnold, Harry Davenport, and there are a host of other "lesser lights" but equally clever featured players.

The story is delightfully suited to the cast. It is refreshing, invigorating and comical. It moves along with purpose-in-mind, and comes naturally and comfortably to a stirring climax that sends everyone, convinced they have been royally entertained.

By all means don't miss this very charming picture. See you at the movies—Mal.

### Lipscomb - Wilson

Mrs. G. C. Sanders of Pahokee announces the marriage of her daughter, Miss Mary Ruth Wilson, to Delma M. Lipscomb of Clewiston at the Community Presbyterian Church in Clewiston on Friday evening, June 4. Vows for the double ring ceremony were read by the Rev. Herman, pastor of the church.

The bride wore a gown of white pique and a corsage of pink carnations.

Mr. Lipscomb is the son of Mr. and Mrs. Ben F. Lipscomb, former residents of Gadsden, Ala., now living in Clewiston.

Following a brief wedding trip the couple are now at their home on E. Ventura Ave., Clewiston.

### THANK YOU, MY FRIENDS

To All Those who prayed for my recovery during my recent illness and to the many friends and neighbors for the thoughtful letters and cards; also for the many very lovely flowers I received. I wish to express my very deepest appreciation. I shall ever be grateful.

## Miss Eva Gainey Is Bride Of M. Spooner

The First Methodist Church of Pahokee was the scene of a beautiful wedding last Sunday at 4:00 o'clock when Miss Eva Gainey, daughter of Mrs. Homer P. Gainey and the late Homer P. Gainey of Brookier, became the bride of Marvin D. Spooner, son of Mr. and Mrs. J. E. Spooner, Sr. of Pahokee.

Large baskets of gladioli and easter lilies were placed at each side of the palm banked altar along with lighted tapers in graduated candleabra. The family pews were marked with lace fern and white gladioli and tied with white satin ribbon. The ceremony was performed by the Reverend Fred Martin of Live Oak.

Preceding the ceremony program of nuptial music was rendered by the organist, Miss Mary Eleanor Kidder of Belle Glade. Mr. Robert O. Lampi and Miss Joan McLarty sang a duet, "A Sweet Mystery of Life". The traditional wedding marches were used.

The bride, given in marriage by her uncle, Mr. E. S. Gainey of Plant City, wore a gown of white slipper satin cut on Victorian lines with fitted leg o'mutton sleeves and a bertha type deep lace yoke. The gown was buttoned to the waist in the back with self covered buttons and a bustle effect flounce gave added interest. The skirt terminated in a full length train. Her tiara was of orange blossoms to which was attached a finger tip veil of sheerest illusion. The bride's only ornament was a single strand of pearls, a gift from the bridegroom. She carried a bouquet of white roses, from which flowed white satin streamers.

Mrs. Ray B. Raulerson, sister of the bride, acted as matron of honor. Her gown of pink embossed marquisette was cut on the same lines as that of the bride. Miss Madeline Crosby of Daytona Beach, Miss Clarice Thomas of Stark, and Miss Nell Latham of Canal Point, bridesmaids were wearing gowns of pastel net over taffeta. Their headdresses were bonnet-styled crowns of pleated marquisette, ornamented with tiny petals. Little Misses Cathey Wilson of Pahokee and Susie Clark of Haines City were flower girls and were gowned in pastel shades similar to the bridesmaids.

Little Hub Spooner, nephew of the bridegroom was ring bearer. Calvin Spooner served as his brother's best man. The ushers, also brothers of the bridegroom, were J. E. Spooner, Jr., Hub Spooner, and Leon Spooner.

Mrs. Gainey, mother of the bride wore a navy blue suit of rayon crepe with matching accessories. Her corsage was a single purple orchid. Mrs. Spooner, mother of the groom wore a dress of printed pink crepe. Her corsage also was a single purple orchid.

Immediately following the ceremony a reception was held on the spacious lawn at the home of Mrs. Ray B. Raulerson, sister of the bride, for relatives and out-of-

town guests. Miss Nadine Raulerson, the bride's niece, presided at the punch bowl assisted by Miss Jo Ann Dixon and the bridesmaids. The bride's table was embellished with a lace tablecloth and around the three tiered cake, baked by the bridegroom's mother and aunt, were white rose buds and fern which reflected into the large mirror on which the cake was centered.

Out of town guests were Mr. and Mrs. O. W. Dixon and daughter Jo Ann, Mr. and Mrs. J. E. Emory and son Joe, from Tampa, Mr. and Mrs. James D. Clark and daughter Susie, of Haines City, Mrs. Earnest Edwards and son Gene, of Brookier, Mrs. H. M. Collins of Waldo, Mr. and Mrs. A. F. Raulerson and family, of Okeechobee, and Mr. and Mrs. Hub Spooner and son, of Clewiston.

For traveling the bride wore a white linen suit with matching accessories. Her corsage was of pink rose buds. After June 23rd Mr. and Mrs. Melvina Spooner will be at home at 556 East Main Street, Pahokee, Fla.

## Howes Family Is Given A Reception

A reception honoring Rev. and Mrs. C. T. Howes and family will be given by the Woman's Society of Christian Service at the First Methodist Church Sunday night following the evening worship hour with the local work committee, Mrs. G. W. Byrd, Sr., chairman, in charge of arrangements. The Rev. Howes is beginning his third year as pastor of the church. All members and friends are invited to attend.

## Husbands Are Feted By WSCS Wives

Members of the Gertrude Shirley Circle, First Methodist WSCS, entertained their husbands at a social meeting at the home of Mr. and Mrs. Manning I. Keen Monday night.

Mrs. Parnell Enecks, program chairman, introduced John T. Pickett, Sr., who gave a talk on "Missionary Work in China." Mrs. I. M. Lair presented the devotionals.

Following the program the game of bingo was played. High score prizes were won by Mrs. Enecks and L. M. Collins. Those attending were Mr. and Mrs. J. M. Elliott, Mr. and Mrs. J. M. Lair, Mr. and Mrs. John A. Dulany, Mr. and Mrs. Sydney K. Smith, Jr., of Belle Glade, Mr. and Mrs. Glenn Abbing, Mr. and Mrs. Parnell Enecks, Mr. and Mrs. L. M. Collins, Mr. and Mrs. Robert Walker, Rev. and Mrs. C. T. Howes, Mr. and Mrs. T. D. Stewart, J. T. Pickett, Mrs. H. C. Graham, Mrs. G. M. Belk and Mr. and Mrs. Keen.

## Local Post Makes Repairs On Home

Members of Canal Point Post 242 spent Monday evening working on the interior of their Legion Home on Lake Front Drive, the remodeling of which they hope to have completed soon. It was announced that regular meetings of Post 242 will be held on the second and fourth Monday nights of each month instead of the first and third Mondays as has been the custom in the past, the next meeting scheduled for June 28.

## Sea Scouts Enjoy Week End Cruise

Eleven Sea Scouts under the leadership of Perry Duke from Pahokee, returned Sunday from a week-end Cruise which left from the Port of Palm Beach to Miami and back. The Cruise was made with 57 Sea Scouts and Leaders in the Gulf Stream Council, Boy Scouts of America aboard a 173-foot PC boat stationed at Palm Beach. The Cruise was under the leadership of Commodore R. R. Thompson who arranged a pro-

gram of Seamanship participated in by all Sea Scouts. The program included a turn at the wheel as helmsman by every Scout, rope work, fire drills, abandoned ship drill and other seamanship. The boys at their meals aboard the PC and slept aboard the 300-foot DE Tills in Miami.

The large group was divided into 4 sections under the leadership of Wendell Guyer, West Palm Beach, Perry Duke of Pahokee, Garland Hayes, Jr., Fort Pierce, Floyd Thorpe, West Palm Beach, Dr. Tom Bregger and Shelly Conrell, Belle Glade, and Alfred Suhr and Rhy Johnson, Lake Worth.

## PRELUDE TO ACCIDENT- Injury - - - - Death!

Every violation of the center line of safety is a potential prelude to accident.

Crossing into the danger zone can occur at the approach to the top of a hill—on a curve—going into an underpass, or even on the straight highway. That's reckless, dangerous driving! Accident records show that about one half of all fatal traffic accidents result from bad driving habits such as these.

It's your responsibility to yourself, your family and to others who share the road to avoid these "Pass-Pockets" where lurk injury—and death.

Don't let impatient driving tag your conscience with being one of those who contributed to the maiming or death of the hundreds of thousands who will be auto accident victims this year.

**You can be a safe driver if you will. It's up to you.**

Mr. Pedestrian—

Prepared by the Associated Dailies of Florida, the Florida Press Association, and the National Conservation Bureau, as a public service.

## Miss Gresham Bride Of Robert L. Turner

Miss Eloise Gresham, daughter of Rev. and Mrs. James M. Gresham of Pahokee, became the bride of Robert Lee Turner, daughter of Mrs. M. H. White of Gainesville at a candlelight ceremony in the Pahokee Church of God on Friday, June 11, at 1 p. m.

The vows were read by Rev. D. L. Lemons of Coconut Grove as the couple stood before the altar which was banked with white gladioli, pink roses and fern against a background of potted palms.

Nuptial music was rendered by Mr. R. J. Johnson of Atlanta, vocal soloist, and Mrs. H. C. Graham, pianist. The traditional wedding marches were played by Mrs. Graham.

The bride, given in marriage by her father, wore a gown of white slipper satin fashioned with a yoke of chantilly lace, sweetheart neckline beaded with seed pearls and leg-of-mutton sleeves. The full skirt, attached to the fitted bodice with chantilly lace, extended into a train and shoulder-length illusion veil was held in place by a cluster of orange blossoms. She carried a bouquet of white carnations centered with an orchid.

Miss Joan Gresham, sister of the bride and maid of honor, wore a pale blue gown of taffeta. Miss Sarah Hayes of Miami, cousin of the bride, and Miss Betty Lemons, Coconut Grove, bridesmaids, were in identical gowns of taffeta and carried bouquets of carnations.

Other attendants of the bride included Janette Upthegrove and Mickey Padgett, dressed as miniature bride and bridegroom; Geneva Andrews, flower girl, and Edward Gresham, small brother of the bride, train bearer.

David Kicklighter was Mr. Turner's best man. Fred Hayes and Lewis Gresham of Miami; cousins of the bride, J. R. Miller, Jr., and Thomas Miller acted as ushers.

Following the ceremony a reception was held on the church lawn with Rev. and Mrs. Gresham receiving with the bridal couple. Mrs. David Kicklighter was in charge of the bride's book. Mrs. S. Gresham of Miami, aunt of the bride, presided at the punch bowl while portions of the wedding cake were served by Mrs. Thomas Miller and Mrs. J. R. Miller, Jr.

Following a wedding trip to the East Coast and a visit in Tampa Mr. and Mrs. Turner will make their home in Pahokee.

## Gant - Williams

Mr. and Mrs. Albert Gant, former Pahokee residents now living in Lake Worth, announce the engagement and approaching marriage of their daughter, Miss Gwendolyn Gail Gant, to Cecil Williams, U. S. Navy, son of Mr. and Mrs. S. J. Williams of Winter Garden.

Miss Gant was a member of the Pahokee High School 1948 graduating class and Mr. Williams graduated from the local high school in 1947.

The bride-elect has gone to Memphis, Tenn., where Mr. Williams is stationed. The wedding is scheduled to take place at the post chapel there this weekend, following which the couple plan to make their home in Memphis.

## COREY IS NAMED

LAKELAND—James C. Morton, of Waverly, organization director of Florida Citrus Mutual, has announced that Morton L. Corey, who had once before been associated with a Florida citrus program in formation of the "clearing house" 20 years ago, would assist in the Mutual program aimed at signing up growers representing at least 75 percent of the state's production.

Morton simultaneously announced the resignation of Don Patterson, former advertising director of Scripps-Howard Newspapers, who has been guiding Mutual's organizational efforts during its first precarious months.

Patterson plans to continue association with the citrus industry and will announce his plans later.

## Births

Mr. and Mrs. Charles M. Baker, former Pahokee residents now living in Clewiston, announce the birth of a son, Charles Marion, III, at the Everglades Memorial Hospital on June 10.

Mr. and Mrs. E. J. Newsome, former Pahokee residents, announce the birth of a daughter at Good Samaritan Hospital, West Palm Beach, on June 13. Mrs. Newsome is the daughter of Mr. and Mrs. A. B. Gray of Pahokee.

Mr. and Mrs. R. S. Bowe of St. Augustine announce the birth of a daughter on June 14. Mrs. Bowe is the former Miss Virginia Young, daughter of Mr. and Mrs. D. W. Young of Pahokee.

## Fire Losses Will Be Carefully Studied

TALLAHASSEE—J. Edwin Larson, State Treasurer and State Fire Marshal, has announced that he is distributing the printed proceedings of last January's statewide fire prevention conference which was held under his direction at Orlando, at the formal request of Governor Caldwell. The conference was the first held in Florida, Larson said, "but will be conducted annually hereafter because of its educational value."

The proceedings contain the recommendations of rural and city fire chiefs, equipment makers, underwriters, educators, building construction engineers, farm groups interested in forest fire protection and municipal officials charged with fire law enforcement, and the revision of building codes.

Some 35 states, Larson said, have held similar conferences during the past 12 months, as a result of the President's national fire conference of last fall.

"It is gratifying to observe what is going in the fire prevention field," Larson continued, "and I attribute to a growing public consciousness that fire losses can be minimized, and with minimum effort."

"It is gratifying to observe what is going in the fire prevention field," Larson continued, "and I attribute to a growing public consciousness that fire losses can be minimized, and with minimum effort."

## Cypress Gardens Is Movie Locale

WINTER HAVEN—People at Cypress Gardens were very much surprised to learn that publicity men on the West Coast in sending out material on MGM's technicolor, "On an Island With You," claimed that Hollywood had transformed Florida into a South Sea Island paradise just for this picture.

Several years ago 20th Century Fox shot much of the picture, "Moon over Miami," at Cypress Gardens, in which Cypress Gardens was made a suburb of Miami. In the new picture two reels were made at Cypress Gardens. Dick Thorpe, director of "On an Island With You," spent a week flying over Florida to pick out beautiful spots that might be used in this South Sea Island picture before he settled on Cypress Gardens, the landing strip on Anna Maria Key near Bradenton and one of the keys off the Miami Coast.

## FATHER'S DAY

Ten fathers will be honored Sunday morning at the First Baptist Church of Pahokee, the youngest, oldest, the one of the most children, the one with the youngest child and the oldest child present, five members of the church and the five non members. The Class Quartet, the Messrs. Butler, Cowart, Spooner and Wood will sing. Rev. Moberg will conduct the service.

## MARY MARTHA CIRCLE

The Mary Martha Circle, First Methodist WSCS, will meet at the home of Mrs. Hugo Boe on Monday, June 21, at 8 p. m., with Mrs. Lester Harf assisting Mrs. Boe as co-hostess. Mrs. Kenneth Mock, vice chairman, will preside at the business.

## Personal

Mrs. W. Rocelle Wilson and sons of Colquitt, Ga., spent the past week visiting relatives in Pahokee and while here attended the commencement exercises at Pahokee High School Thursday night at which time Mrs. Wilson's sister, Miss Walta Nell Hull, received her diploma. They were accompanied home by Walta Nell and her sister, Mrs. Edgar Barnes. Their parents, Mr. and Mrs. Walter G. Hull, will join them later in Colquitt while enroute to North Carolina for the summer.

Mrs. G. T. Echols is spending a 10-day vacation visiting her father, J. L. DeLoach, and other relatives in Langdale, Ala.

Mrs. G. Lawton Sims has returned from a two-weeks visit with her mother, Mrs. Alston, in Richmond, Ga.

Mr. and Mrs. W. H. Vann have gone to North Carolina to spend the summer at their home in Hendersonville.

Homier J. Clause left this week for Gainesville to direct marketing operations in the Island Grove celery deal.

Mrs. Paul Rardin is at the home of her parents, Dr. and Mrs. W. O. Strickland in Gainesville, Ga., where she is recuperating satisfactorily from a recent illness. She plans to return to her home in Canal Point within the next couple of weeks.

Mr. and Mrs. X. L. Garrison and family have moved to Okeechobee where they will make their home. Mr. Garrison, former Pahokee city recreation director and assistant coach at the high school, plans to attend summer school at the University of Florida before assuming his new duties as principal of the Okeechobee High School.

Mrs. Garrison and children will visit relatives in Virginia while he is at the University.

Mr. and Mrs. Robert F. Phipps, residents of Pahokee for many years, left Wednesday to make their home in Brevard, N. C. Mr. and Mrs. Louis Davis will move into the Phipps residence on SE First Ave., which they have purchased.

Miss Estelle Chafe, Pahokee High School English teacher, is attending summer school at the University of Florida, Gainesville. Mrs. J. R. York leaves this week for a visit with her son-in-law and daughter, Mr. and Mrs. Browning Roach, in Maryville, Tenn. She will be accompanied by her son-in-law and daughter, Mr. and Mrs. James W. Beardsley and son, Wayne, of Clewiston. They also plan to visit relatives in Winston-Salem, N. C., before returning home.

Mrs. Alice Pauline Rice and son, Edwin Rice, left this week to spend a summer vacation with relatives in Asheville and Oteen, N. C.

Mr. and Mrs. E. E. Coleman will leave this week for a visit with their son-in-law and daughter, Mr. and Mrs. R. L. Odum, in West Frankfort, Ill.

Miss Veronica Kaufman, who has been receiving treatment for a head injury at the Everglades Memorial Hospital, was able to leave this week with relatives for her home in Chicago, Ill.

Billy McClenithan of Sarasota is spending the summer in Pahokee with his father, William McClenithan, and Mrs. McClenithan.

Mrs. H. M. McIntosh and children, Annette and Kenneth, left this week for a visit with her mother, Mrs. Mathis, in Panama City.

Mr. and Mrs. Inman W. Weeks have returned from a visit with relatives and friends in North Florida. From Jacksonville they were accompanied, home by their daughter, Miss Flora Mary Weeks, of Durham, N. C., who will spend several days visiting here.

Mr. and Mrs. Lloyd Humbley and children, John Lloyd and Wayne Scott, will leave, Tuesday for a visit with her parents, Mr. and Mrs. Al Friend, in Wichita, Kans. They also plan to visit in Colorado before returning home.

Mr. and Mrs. Louis Vann and children left this week for a visit with relatives in Sarasota and Georgia.

Mrs. Roy Segree is recuperating from an emergency appendectomy performed at the Everglades Memorial Hospital Tuesday afternoon.

Mr. and Mrs. W. A. Stevens plan to leave this coming week for Hendersonville, N. C.

Mrs. Sam McKinstry, Sr., and daughter, Johanna, and Mrs. Earl Crossman and children left this week to join Mr. McKinstry and Mr. Crossman at Cape Charles, Va., and Pocomoke, Md., for the summer.

Mrs. Harold Rosenberg and children are moving to Lake Worth this week where they will spend two months near the beach. During the time some of the children will attend summer school.

Mrs. Nola Smith, Miss Sally Shipley, Mrs. Mary Hall and Miss Lil Teasley of Spartanburg, S. C., are spending this week at Jupiter on the beach.

## Girls State Opens Next Week In Tall

TALLAHASSEE—Girls from everywhere in Florida are assembling in Tallahassee this week to learn through doing how government functions.

As citizens of Girls' State, sponsored by the American Legion Auxiliary, around 200 young ladies are to hear first from top-flight officials and then, assuming the duties of those speakers in a mock government, practice what they just have been taught.

The girls—all high school seniors next fall, and selected for qualities of leadership, courage, cooperativeness and scholarship—are to meet each day in the chamber of the House of Representatives, to study government in the place where laws actually are made. They will be housed at Florida State University.

Allen Morris, compiler of the State-adopted school reference book on state affairs, The Florida Handbook, and consultant to the House of Representatives on rules and procedure, has been appointed Director of Education for Girls' State.

Morris has drafted outstanding officials for authoritative discussion of how government works.

## Mount Dora Girl Wins Pepsi Award

MOUNT DORA—Carol Swortz, Mount Dora High School Senior, who graduates this year, has received top honors in the annual Pepsi-Cola Scholarship awards for the state of Florida. She was one of two graduating seniors in the state to receive the award, out of a competitive field of 645 who took the rigid examinations. She receives a full four year scholarship which includes free tuition and \$25.00 personal allowance and partial traveling expenses to and from home.

Carol is planning to attend Whitman College in Walla Walla, Washington for her scholarship, where she will major in Liberal Arts.

## Marines Set Up Recruiting Stations

JACKSONVILLE—Captain K. E. Flake, in charge of Marine recruiting in Florida, has announced that the Florida Marine Recruiting District, with headquarters in this city, had been divided into ten recruiting areas.

The district, which covers all of Florida except the Apalachicola River, will now maintain full time offices in Daytona Beach, Lakeland, Miami, Ocala, Orlando, St. Petersburg, Tallahassee, Tampa and West Palm Beach, in addition to this city. Captain Flake has 25 recruiters in the state. Most of them are native Floridians or, having served in Florida, plan to make their home in Florida after retirement.

## BOARD MEETING

A meeting of the executive board of the First Methodist Woman's Society of Christian Service will be held at the church on Monday, June 21, at 2 p. m., according to Mrs. John A. Delany, president of the society. All standing committee secretaries are urged to make their quarterly reports at this meeting.

## IONE PATTERSON CIRCLE TO MEET MONDAY

The Ione Patterson Circle of Canal Point Baptist WMU will meet with Mrs. J. S. Chastain Monday beginning at 11 o'clock. A covered dish luncheon will be served.
